

1. Who will residents contact about service questions. The city or the contractor?

Residents will contact the city with service questions.

2. Please provide a copy of the most recent invoice from Southern Sanitation for these services.

Please see attached invoice.

3. Please provide the current route schedules.

Please see attached route schedule.

4. How many tons of trash is collected annually?

Data unavailable through service provider.

5. How many tons of yard waste is collected annually?

Data unavailable through service provider.

6. How many tons of recycle is collected annually?

Data unavailable through service provider.

7. How many tons of bulk waste is collected annually?

Data unavailable through service provider.

8. Please provide the quantity, size, and frequency of collection for all commercial location containers.

Commercial solid waste has not been provided by sole sourced servicing within the city. The city does not maintain current data at this point for quantity, size, or frequency of commercial collection. Any available data will be posted on addendum 2 on 03OCT25.

9. Section VII.A on page 10 describes "yard waste from subscribing residences". Is yard waste collection to be included in the base rates or are yard waste an elective service?

Yard waste collection is included in the base rate (3 brown bags) and an optional chargeable service for additional yard waste beyond the allotted limit.

10. Section VII.E page 11: who bills the extra yard waste, extra bulk services?

The city will bill the extra yard waste, extra bulk services.

11. Section VII.I page 12- will ALL residents receive a new 95-gal cart for trash collection?

All residents will receive a 95-gal cart in good repair and appearance.

12. Section VII.I page 12- will residents have the choice for 18gal or 65gal individually? Or will the city choose one size for ALL residents?

Residents will have an 18gal collection bin as a part of the base rate. Residents may individually choose to upgrade to a 65gal cart for an additional charge.

13. Section VII.I page 12- referring to the "hot stamp" for carts. Since this will increase the cart cost, will the city consider other options for cart branding?

The city will consider alternative options for cart branding.

14. Section VIII.E page 14- is the back door cap 5% or 10%? Both numbers are stated here.

The back door cap is set at 5%.

15. Section VIII.B page 13 states that bulk collection is (1) time per week "for an additional fee", but the fee schedule in Section IX. Indicates that (1) bulk item per week is part of the base rate.

Bulk pickup is not part of the base rate and must be scheduled for an additional charge.

16. Are alternative proposals to requested service levels and frequency permissible?

Alternative proposals are welcome for commercial solid waste services, however, residential must meet the service levels and frequency outlined in the RFP.

17. Will the amounts for required insurance in the RFP be adjusted at a lower amount in order to give the city a price that would reflect an average compared to other municipalities?

Yes, the new criteria is as follows:

Worker's Compensation Liability: 1,000,000

General Liability Bodily Injury/Property Damage: 1,000,000

Automobile liability Bodily Injury/Property Damage: 1,000,000

Excess Umbrella: 5,000,000
